

September 2018

Greeting,

Our featured video this month is about the idea of zero. Zero people needing what we already have... easy access to God's Word in a language understood at the heart level. This is possible, and we believe God is waiting on his people to join Him in making it happen!

In September, JAARS hosted a Scripture Celebration for 42 language communities from around the world who recently completed Scripture translations. Approximately 14.5 million people were impacted across the Americas, throughout Africa, Asia, and the Pacific islands! There is still work to do, but each day we are working towards zero.

Kirk is full-on in his new role as Director of Technology and Business Solutions for JAARS. He is overseeing the replacement of three major systems, building a team to do so, and is involved in additional operational opportunities to strengthen the work of JAARS. Beth is enjoying serving as a nurse at the JAARS Health Services. We praise God that Alyssa is truly connecting with the JAARS Youth group.

Refuge 139 Malaysia Update: Beth/Alyssa, 11/6 -11/19/18. The excitement is building with immunizations and team meetings starting. We were blessed with airfares less than anticipated, and our total cost **decreased** from \$6400 to \$4800. We have 51% of our total cost of the trip. God is good and God is faithful!
